

## Appendix A—Test Security Guidelines and Forms

Assessment materials are to be kept in a locked secure location until testing time. All test coordinators and teachers are required to sign a security agreement/affidavit prior to each test administration. Upon completion of testing, all test materials are to be collected and returned to Harcourt Assessment according to the dates specified for each administration.

Teachers/examiners administering assessments are not to provide answers to students, copy any portion of the test or in any way contribute to test security practices which violate the Code of Professional Ethics set for South Dakota Educators. The South Dakota Professional Teachers Practices and Standards Commission Administrative Rule Codes 24:08:03:01 Obligations to Students, 24:08:03:02 Obligations to the Public, and 24:08:03:03 Obligations to the Profession provide direction for educators. The Code of Ethics for professional administrators is cited in Administrative Rule 24:11:03:01

Unethical test practices include, but are not limited to—

1. encouraging students to be absent the day of testing
2. encouraging students not to do their best because of the purpose of the test
3. not testing all students
4. reclassifying students solely for the purpose of avoiding state testing
5. failing to provide necessary accommodations during testing (if applicable)
6. interpreting, explaining or paraphrasing a test item
7. copying of the test in any way
8. changing or altering student responses at any time
9. using secure test items for instruction

Critical dates are clearly defined in the *Test Coordinator's Handbook* as to when scorable materials must be received by Harcourt. Failure to adhere to these dates may result in scoring delays, a school having to pay for their own scoring or, in the case of NCLB accountability, an endangerment to the school's AYP calculation.

**Test coordinators are to complete *Test Security Agreements* and obtain signed *Test Security Affidavits* from all teachers/examiners for EACH of the following assessments.** Signed documents must be returned to Harcourt and the Department of Education as noted within the *Test Coordinator's Handbook*.

For State Agency, District Personnel, and Test Coordinators

I acknowledge that the \_\_\_\_\_ is a secure assessment and agree to the following conditions of use to ensure test security:

b) The names of all persons having access to the materials will be kept on file.  
c) All persons having access to the materials (other than students to whom the test is administered) will sign a security affidavit, which will be kept on file in the school district office.
2. a) I will keep the test materials under lock and key, except on actual testing dates, limiting access to those responsible for their security.  
b) Secure test materials, including test books and directions, will be delivered to examiners no sooner than the date of testing, unless logistics dictate an earlier delivery date.  
c) Test materials will be kept secure until they are actually distributed to students.  
d) In no case will students be permitted to remove test materials from the room where testing takes place.
3. I will not disclose or allow to be disclosed the contents of, or the scoring keys to, the test instrument.

5. I will develop, distribute, and enforce disciplinary procedures for the violation of test security by district or agency staff.

By signing my name to this document, I am assuring Harcourt Assessment that I and anyone having access to the test materials will abide by the above conditions.
